Dear Sir:

In compliance with the duty of disclosure under 37 C.F.R. §1.56, and in accordance with the practice under 37 C.F.R. §1.97 and §1.98, the Examiner's attention is directed to the documents listed on the enclosed modified Form PTO-1449. No inference should be made that the cited references are in fact material, are in fact prior art, or that no better art exists. The cited patents are listed in numerical order and the non-patent literature is listed in alphabetical order, and are not in any order based on their pertinence.

Therefore, pursuant to the waiver of the requirement under 37 C.F.R. 1.98(a)(2)(i) as stated in a Pre-OG Notice dated July 11, 2003, copies of only the foreign patent documents and non-patent literature listed on the enclosed Form PTO-1449 are attached.

The Commissioner is hereby authorized to charge any additional fees which may be required or credit any overpayment to Deposit Account 13-2546.

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.

Respectfully submitted for,
